- Do not wear jewelry in class.
- Students and Parents bow and say “Hello Mame, Hello Sir” when entering the Academy and bow and say “Goodbye Mame , Goodbye Sir” when leaving the Academy. This is to demonstrate proper discipline and courtesy towards all students, parents and Instructors.
- Students must pull their card prior to the class and present them on the floor when requested
- Students must line up by height on the floor. Taller students always line up in the rear lines.
- Please help keep the Academy clean and neat. Please pick up any wrappers and trash.
- Chewing gum and eating is not allowed in the Academy. **PLEASE DO NOT EAT IN THE STUDIO.**
- Make sure you do not eat immediately before class, and use the restroom before your class. You are expected to remain in class until it is completed.
- *No shoes are allowed on the mat!* Only students in FULL uniform are allowed on the mat.
- A proper warm-up is important for your safety, so if you arrive to class late, please stretch and warm up before joining a class in session.
- Please remember to show respect for other people’s class time. Be quiet and do not disrupt classes that are in session.
- At the start of class, stand still in the “At Ease” position and fix your eyes on the instructor. You can expect the instructor to give 100% while he teaches, and he expects you to give 100% while you learn.
- Respond to all adults and/or Black Belts as “Yes Sir” or “No Sir,” or “Yes Ma’am” or “No Ma’am.” Address all Black Belts by their last name (e.g., Mr. Culin, etc.).

- There may be days when classes are not held; please check the schedule. There will be no make-ups for days closed including holidays.

Schedule Changes

After each test period (6 times a year), the class schedule may be adjusted to accommodate new belt promotions. Students may need to move from their present class time to a higher belt level class. There is no guarantee you will receive your class preference, however, our goal is to offer a convenient selection of color belt choices on the schedule. Students must all sign up for their class preference after belt award week. (please contact the office for class preference. Students (and parents) must understand that when a student's belt color changes as they advance to black belt, they may need to change classes.

Make Up Class Policy

Youth and Adult students who train twice a week are provided a bonus class on Saturday that can be used as a 3rd training class each week - or used to make up missed classes. On occasion, if you MUST attend a make up during the week, it is required that you call the office to schedule the make up class. Make ups may only be conducted in non-full classes. Students are not allowed to drop in and attend classes to which they are not assigned without prior approval. Maintaining appropriate class size and student teacher ratio is important to us. Please assist us by not attending other student's classes.

Guest Passes

Students are always welcome to invite their friends to class. Ask for a VIP card from the front desk. This will entitle your friend to a free month of classes! Basic members may try Leadership class (Weapons,

Kickboxing, Hapkido, Musical Kata,, etc.) simply by calling the Program Director. There is no charge for the class pass.

Freezing Your Membership

If your schedule requires that you take time off from your karate class before the completion of your program, you must notify the Program Director by submitting a "Freeze Notice" in advance of the month you are to be away. Payment of the absent month(s) will be made as usual. However, a full credit for the "frozen" month will be applied to the end of the program term.

ADVANCED KNIFE DEFENSES KNIFE KATA1-8

NOTE: HOLD KNIFE IN A “HAMMER” POSITION FOR THIS DRILL.

- 1) DEFEND WITH THE BACK OF THE HAND. GRAB PAD OF HAND. STRIP THE “BUTT” OF THE KNIFE IF IT IS AVAILABLE. TWIST ARM CLOCKWISE WITH KNIFE ON THE THROAT.
- 2) DEFEND WITH #1, BUT WE DON’T HAVE THE BUTT TO WORK WITH. TURN KNIFE UP TO 12:00 POSITION AND PUT FOREARM ON BLADE AND STRIP FORWARD.
- 3) DEFEND WITH #2, BUT WE CAN’T STRIP FORWARD. GRAB BLADE WITH YOUR RIGHT HAND; BUT FLESH IS NOT ON THE BLADE. STRIP FORWARD.
- 4) DEFEND UP TO #3, BUT NOW WE DO A STRAIGHT FORWARD “THUMB STRIP”. KEEP THE PAD OF THE HAND TO BREAK UP GRIP. MY LEFT HAND “ROLLS” THEIR THUMB TO CAUSE PAIN. STRIP FORWARD WITH THE THUMB. WE CAN EJECT OR KEEP THE KNIFE.
- 5) DEFEND UP TO #4. NOW MY RIGHT HAND GOES “UNDER” THEIR WRIST (SO I DON’T LOSE THE PAD) AND I GRAB THE PAD WITH MY RIGHT HAND AS I TWIST THEIR WRIST CLOCKWISE. MY LEFT FOREARM NOW STRIPS FORWARD. (STRAIGHTEN THEIR ARM OUT WHEN STRIPPING.
- 6) DEFEND UP TO #5. GRAB HIS HAND AND PUSH STRAIGHT FORWARD IN TO THE BODY, OR STRIP THE KNIFE AWAY ON THE KIDNEY.
- 7) DEFEND UP TO #6. CONTINUE WITH A CLOCKWISE WRIST TWIST TO A WRIST BEND. (KEEP THEIR ARM LOCKED OUT)
- 8) DEFEND UP TO #7 AND NOW PUT YOUR HEAD ON THEIR ELBOW (TO PROTECT AGAINST A PUNCH) AND DISARM STRAIGHT AWAY.

2 ON1 DEFENSES

CIRCLE OF DISTRUCTION: DEFENDER IN THE MIDDLE. ALL FACING THE SAME WAY. DEFENDER CHOPS TO NECK OF ATTACKER ON THE RIGHT AND ALSO GOES HAMMERFIST TO THE GROIN. DEFENDER THEN GRABS HIS SHOULDERS AND SPINS AROUND WHILE THROWING ATTACKER #1 OUT. LEFT STEPPING SIDEKICK TO ATTACKER #2

2) **RICCOSHETT**: DEFENDER IN THE MIDDLE, FACING ATTACKERS. DEFENDER CHOPS TO RIGHT #2 ATTACKERS NECK STEPS AND BOUNCES

OFF HIS FACE INTO A PALM-HEEL TO ATTACKER #1'S NOSE; BACK FIST/PALM HEEL TO ATTACKER #2 ; REVERSE SIDEKICK TO #1 AND A SPINNING BACKFIST ALSO TO ATTACKER #1.

PRESSURE POINTS

- 1) **BEHIND EAR** – THUMB TIP, IN AND UPWARDS (SUPPORT BACK OF HEAD)
- 2) **UNDER THE NOSE**
- 3) **SIDE OF NECK** – HITTING WITH FLAT OF FOREARM (KNIFEHAND WILL DO MUCH MORE DAMAGE BY PUTTING SMALLER STRIKING SURFACE) TAKES LEGS OUT
- 4) **STERNAL NOTCH** (SOFT SPOT) NOT STRIKING IT!! TOO MUCH DAMAGE! IN AND DOWNWARDS (THROAT PUSH)
- 5) **COLLAR BONE** – MORE SENSITIVE CLOSER TO CENTER OF BODY THAN FURTHER OUT. 2 OR 3 FINGERS IN AND DOWN
- 6) **FUMERIAL TRIANGLE -** INSIDE THE HIP SOCKETS. TAKE BOTH HANDS AND REACH DOWN INTO YOUR HIP SOCKETS AND FIND SENSITIVE SPOT. HIT STRAIGHT INTO THIS OF YOUR PARTNER. IF YOU HIT IT CORRECTLY YOU CAN IMMOBILIZE THE LEG.
- 7) **SIDES OF THE KNEECAP** – GO TO THE KNEECAP AND COME UP AN INCH, AND OVER AN INCH AT A 45 DEGREE ANGLE. JUST ABOVE THE KNEE. PINCHING WORKS, BUT HITTING DOES MUCH MORE. SAME GOES FOR THE OUTSIDE OF THE KNEECAP, BUT IT'S USUALLY NOT AS SENSITIVE AT THE INSIDE.

BLACK BELT COMBINATIONS

- 16) **Reverse 360 hook kick; back leg round kick. Reverse hook kick, backpunch**
- 17) **Jump backleg sidekick; reverse sidekick, backpunch**
